OGC HAS REVIEWED.

25X1A

In view of the legal aspects of your letter of 13 February, Mr. Dulles has asked me to look into the matter for him.

Obviously, we can give you no reaction until we know something about your patent matter, but I am making arrangements to have an authorized representative of the Agency call on you directly or through your attorney in order to obtain some detailed information. If, however, you have at any time any questions in this connection that you would like to ask, feel free to address them to the undersigned.

Very truly yours,

LAWRENCE R. HOUSTON  
General Counsel
